### Steel Cord Conveyor Belt For Sale, Steel Cord Conveyor Belt Manufacturer

Brand Name : AKE

Item Name : **Steel Cord Conveyor Belt**

Quality System : ISO9001:2000, CE

Delivery Time : < 15 days

Place of Origin : Shanghai China

Rating : 4.6 score, 309 vote

Price : [Get Price & Support](#)

#### ■ ■ Steel cord conveyor belt Features

Steel cord conveyor belts are widely used in high strength, long distance and heavy load transportation of materials, and they are also used in high strength and short distance transportation of materials on special occasions.

Steel cord conveyor belt with steel cord conveyor belt rubber pad covering traction as a conveyor carrying member. Characteristics of steel cord conveyor belt: tensile strength, impact resistance, long service life, small elongation, into a good groove, flex resistance, suitable for long-distance, high-speed delivery of materials. The product is composed of a core rubber, steel rope, overburden and edge glue.

#### ■ ■ Steel cord conveyor belt Applications

Steel cord conveyor belt suitable for high strength, long distance transport, as well as requirements for extending a relatively small workplace. Steel cord conveyor belts are widely used in coal, mining, port, metallurgy, electric power, chemical industry transportation of materials. According to cover the performance can be divided into: ordinary type, flame retardant, heat-resistant, wear resistant, cold resistant, acid and alkali - resistant, oil resistant etc.
